

# POD PETITE BLACK - COMPLETE UNIT WITH AUTO SENSOR

The Pod Petite Sanitary Bin is a hygienic and easy-to-use sanitary disposable system. Traditional sanitary bins are often regarded as unhygienic, unsightly and difficult to operate. Pod Petite is the solution to this disposal dilemma. The system combines designer style with flawless functionality and is available in black or white, with a choice of touch-free auto and manual units. A self-serve cost reducing option that comes pre-loaded with a cassette including 32 liners.
