

3M RED BUFFER PAD 16"

The 3M Red Buffer Pad 40.6 cm is designed for light cleaning and polishing, helping to remove soil, scuff marks, and black heel marks while enhancing the floor's appearance with a brilliant shine. This pad is ideal for use on a variety of hard floor surfaces, including linoleum, VCT, and vinyl. Its versatile construction allows for both spray buffing and dry buffing operations, ensuring efficient and effective maintenance.
