

BIOPROTECT FOG ELIMINATOR - 5L

Experience powerful drain maintenance with BioProtect Fog Eliminator. This solution ensures clear, odour-free drains, controlling the build-up of fats, oils, and grease. Its industrial-strength formula also reduces suspended solids and organic nutrients in wastewater. Eco-friendly, non-hazardous, and non-corrosive, BioProtect Fog Eliminator is your reliable choice for maintaining cleanliness on a large scale. MPI approved C64 & C38.
