

CHEMICO ROSE CREME 600G

Chemico Rose Creme 600g is a versatile cleaner with a mild abrasive that effectively cuts through grease and dirt. It features concentrated detergents that emulsify residues, making surfaces easy to clean without scratching. Ideal for bathrooms and kitchens, it works well on baths, basins, showers, toilets, benches, and whiteware. The rose fragrance adds a pleasant scent, and the product is made from biodegradable ingredients, including coconut oil derivatives and glycerine, making it safe and environmentally friendly.
