

HYTEC CLEAR VINYL GLOVES, LOW POWDER - LARGE

Discover superior comfort and protection with our vinyl gloves. Specially designed to be looser fitting than latex, they are an excellent choice for individuals with latex allergies. Odour-free and ambidextrous, these gloves are versatile and recommended for various applications, including food handling, healthcare, labs, and food processing. Available in clear and blue options, with both low powder and powder-free alternatives, these gloves offer flexibility and choice. Approved by TGA, CE, TUV, ASTM, and BS, they meet stringent standards for quality and safety).
