

HYTEC CLEAR VINYL GLOVES, POWDER FREE - LARGE

Experience comfort without compromising protection with our Clear Vinyl Powder Free Gloves. Looser fitting than latex, they are ideal for wearers with latex allergies or as a great cost effective option, these gloves provide odour-free wearer comfort. Non-sterile and ambidextrous, these gloves are recommended for various applications, including food handling, healthcare, labs, and food processing. Approved by TGA, CE, TUV, ASTM, and BS.
