

PACIFIC HYGIENE HAND TOWEL DISPENSER ULTRA 50 - BLACK

The Ultra Towel Dispenser coming in the colour range of black and white as well as 300 and 500 tissue options is a reliable and easy-to-maintain towel dispensing machine. Alike the other Pacific Hygiene range, this dispenser uses a robust ABS plastic casing made from 100% recycled materials. The dispenser fits that Pacific slim paper towels allowing for an easy top-loading refill. The simple functionality and aesthetic allows this dispenser to have large versatility in locations such as schools, workplaces and other high-traffic areas.
