

ISOPRO3 CONCENTRATE - 20L

Unlock the power of ISO Pro3, a water-based 3-in-1 cleaner, sanitiser, and antimicrobial protectant tailored for everyday use. Ideal for both domestic and commercial settings, apply it to both hard and soft surfaces, via spray bottle or mopping. With its revolutionary formulation, ISO Pro3 boasts a remarkable ability to eliminate 99.99% of germs, bacteria, mould, mildew, odours, and viruses. MPI approved - C38.
