

# JOHNSON OPTIMO LAUNDRY POWDER 12KG

Johnson Optimo Laundry Powder is a premium, enzyme-boosted detergent designed to deliver superior cleaning power. This 12kg box of laundry powder is formulated to effectively lift dirt and remove stains, while also brightening and whitening clothes. It contains enzymes and bleach to break down tough stains and has a fresh, clean fragrance that leaves clothes smelling great. The powder also includes alkalis to aid in grease removal, making it suitable for both domestic and commercial use.
