

KEMSOL AQUASOFT LIQUID LAUNDRY/FABRIC SOFTENER - 5L

Kemsol Aquasoft Liquid Laundry/Fabric Softener is a heavy-duty laundry detergent that leaves clothes clean, bright and fresh. Effective in both hot and cold water. Suitable for use in top or front loaders. Formulated with gentle yet effective softening agents, Aquasoft Liquid Laundry/Fabric Softener effectively reduces static cling and leaves fabrics feeling soft and smooth. Its advanced formula ensures superior softness and freshness, enhancing the comfort and longevity of garments. Ideal for use in commercial laundries, hotels, and healthcare facilities, Kemsol Aquasoft Liquid Laundry/Fabric Softener is suitable for all types of fabrics and wash cycles.
