

KEMSOL K-CLEAN SANITISER - 20L

Kemsol K-Clean Sanitiser in a convenient 5L container is a powerful solution designed to effectively sanitise surfaces and eliminate harmful bacteria and germs. K-Clean Sanitiser is a multi-purpose detergent that cleans, sanitises and helps to maintain surface lustre. Suitable for a wide variety of modern hard surfaces. Surface-safe surfactants and essential oils assist the maintenance of polished and non-polished floor surfaces and all bathroom and janitorial hard surfaces.
