

KEMSOL LEMON DISHWASH - 5L

Kemsol Lemon Dishwash is a high-quality solution for effectively cleaning dishes and utensils. Infused with the refreshing scent of lemon, this dishwash not only cuts through grease and grime but also leaves behind a delightful fragrance. Med-high foaming general purpose biodegradable hand dishwashing detergent, suitable for a wide range of washing applications. Ideal for manual dishwashing but can also be used for hard-surface cleaning and the handwashing of vehicles and windows.
