

KEMSOL PRONTO SANITISER 5L

Kemsol Pronto Sanitiser is a heavy-duty chlorinated sanitiser designed for a wide range of cleaning and sanitising applications. This powerful formula, based on thickened Sodium Hypochlorite, provides extensive bactericidal activity, effectively removing bacteria, viruses, odours, mildew, and killing black mould and algae spores. It is particularly effective against Salmonella, Staphylococcus, E. coli, Streptococcus, Listeria, Bacillus, Candida, Aspergillus, and other fungi and mould variants.
