

KEMSOL QUANTUM AUTO DISHWASH - 20L

Unleash the cleaning power of Kemsol Quantum Auto Dishwash in a commercial high-strength liquid detergent. Formulated specifically for use in automatic commercial dish and glasswash machines, it caters to a variety of common ware materials—crocker, china, glass, stainless steel, plastics, and kitchen utensils. While not recommended for aluminium or soft metal-constructed kitchen items, it is septic tank safe when used as directed. Whether for dishwashing or glass washing applications, with or without a rinse aid, Kemsol Quantum Auto Dishwash ensures impeccable results.
