

RAVEN MOP A MATIC XL MOP

The Raven Mop-A-Matic XL Mop Complete is a heavy-duty cleaning tool designed for efficient and thorough cleaning of hard floors. This mop features an extra-wide 275mm head with a highly absorbent 100% cellulose sponge, making it ideal for large surface areas. The durable steel squeeze mechanism ensures easy wringing, while the 4-stud refill system allows for quick and simple replacement of the sponge.
