

RUBBERMAID MICROFIBER LIGHT COMMERCIAL CLOTH - BLUE

Rubbermaid Light Commercial Microfibre Cloth is a high-quality, microfibre product designed for a wide range of applications. With superior cleaning performance and proven removal of 99.9% of microbes, it ensures effective germ removal compared to traditional cloths. This durable cloth can withstand up to 200 commercial launderings and 100 with bleach. Perfect for wet cleaning or dry dusting on various surfaces.
